

WARREN HILL,
EASTBOURNE.

My dear Jean

Thank you very much
for your letter. Ask Nanda
to send to Miss Brown
some of the cloth old suit.
I was rollan skating
at full speed and, I put
my toe out behind to
to stop myself and over
I went and at present my
knee is swollen in a big black

lump. We have a lecture
every other ^{Saturday} night. Last
night ~~it~~ it was about
British wild animals.

The man showed us them
on the magic lantern
and lectured about them
I have very little time to
~~not~~ write. On Saturday
night we had a sponge
fight in the dormi.

I and an other boy had
a fight meanwhile we
were having a shower bath
with wet sponges.

With much
love from.

Tom.
