

WARREN HILL.  
EASTBOURNE.

Oct 7<sup>th</sup>. 1905

my dear Jean

I Comfort yourself

that you are not the only person that  
is bad at dates for I have had to write  
up to the end of the House of Montague

from 1066 (I am very proud of knowing the

ten times (I only did it 7). Please send

me some of the apples out of  
the garden and a few of those

little paws. Hurry up and

that puppy's picture. I am not

goal for the 2<sup>nd</sup> because there

is another boy who came back

late who is a goal-keeper but

if he is ill on a match day I would  
play but it is certain I will be  
goal for the third.

It is lovely warm weather that  
we are having now. We have  
just had a harvest thanksgiv-  
ing not a grain of corn but every  
thing else except onions we have  
them for dinner ~~to eat~~ by  
~~that~~ ~~at~~ ~~it~~ ~~is~~ ~~all~~  
~~the~~ good by with

love  
from

Tom
