My dear Jean

Thank you so much for those apples, but some of them got very badly bruised in the coming. On Friday we were sweltering in heat, and on Saturday we were told that the temperature had fallen fifteen degrees and to day it is twenty since Friday we are shivering and were ~~were~~ were freezing cold baths in the morning. Tell Lady that I am getting

on better than ever I did with my
verbal. We will most probably do as
badly as ever in the football line
I expect that we will lose every
single match. Next Wednesday we
play the school that gave us such
an awful beating at cricket last
term we will get licked again. I do
not think there is any more to say.

Goodbye love from

TOM.
