

WARREN HILL,
EASTBOURNE.

~~eternal~~ fool day

My dear Dad,

It was the life boat from
the fishing village that went
out to the ~~the~~ ^ewreck on Beachy
Head the other Sunday. ~~It~~ Hunt ma
went up to ~~the~~ the hospital, on
Friday but he is all right now.
In church today Hunt ma nearly
fainted, and he has gone to
the hospital instead of his
brother. They are burning all
the grass on the fupps (not the down)
and in two places the whins ~~are~~
caught a light and it has been so
dry that they ~~are~~ could not get
near them to put them out.
With much love from
Tom,
